The Crest of CHRIST (Deemed to be University)

The Wheel: Two concentric circles make the Wheel. It symbolises harmony between the parts and the whole without which there cannot be any progress.

The Star: The Star has five tails. The tips of the top and the two bottom tails of the Star touch the outer circle of the Wheel whereas the other two tips touch the inner circle. The Star symbolises the Star of Heaven by which we steer our courses through the shoals and eddies of time.

The Flame: A candle is placed in the inner circle in such a way that its Flame spreads exactly from the common center of the Star and the Wheel. The Flame throws light and illuminates the surrounding darkness.

The Book: An open book is placed just below the candle on the inner side of the inner circle. It represents knowledge that leads one to excellence.

The Vision: The vision statement, EXCELLENCE AND SERVICE, is encrypted in three lines below the book in between the two circles and the lower tails of the Star.

The Name: The Name CHRIST is written both in Kannada and in English. Kannada, the official language of the State of Karnataka, symbolises the roots of the University in the local culture; English, an international language, symbolises the transcendence of the University.

1. The University

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationist, and a social reformer of the nineteenth century in South India. He founded the first indigenous Catholic congregation, Carmelites of Mary Immaculate (CMI) in 1831 in South India which administers CHRIST (Deemed to be University).

Established in 1969 as Christ College, the Institution undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission (UGC) of India conferred Autonomy to Christ College vide its notification F.13-1/2004(Desk-AC) dated 07 October 2004 and identified it as an Institution with Potential for Excellence vide its Notification No. F. 121/2004(AIS/PE) dated 19 May 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development (MHRD) of the Government of India, declared the Institution a Deemed to be University, vide its notification No. F. 9-34/2007-U.3(A) dated 22 July 2008 in the name and style of 'Christ University'. One of the first institutions in India to be accredited in 1998 by the National Assessment and Accreditation Council (NAAC), and subsequently in 2004 and 2016, the Institution had the top Grade 'A' on a 4-point scale. In the year 2022, the Institution has an A+ grade with a CGPA of 3.42. As per the direction of MHRD, vide its Notification No. F.9-34/2007-U.3(A), dated 11 January 2018 the name of the Institution was changed from 'Christ University' to 'CHRIST (Deemed to be University)'. The University is a Minority Educational Institution as approved by the Order No. 1561 of 2013/8743 dated 29 July 2013 of the National Commission for Minority Educational Institutions.

The multi-disciplinary Institution which focuses on teaching, research and service, offers Bachelor, Master and Doctoral programmes in Arts and Humanities, Social Sciences, Science, Commerce, Management, Engineering, Law, Education and Architecture to over 38000 students. The six campuses of the University, four at Bengaluru in Karnataka, one at Pune Lavasa in Maharashtra, and one at Delhi National Capital Region (NCR) are living examples of harmonious multiculturalism with students from all the states and Union Territories of India and about 77 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. - National Education Policy Guidelines (Applicable from 2023 batch of UG)

Major and Minor disciplines

Major discipline is the discipline or subject of main focus, and the degree will be awarded in that discipline. Students should earn the prescribed number of credits (about 50% of total credits for a Programme with Single Major and approximately 40% with a minimum of 48 credits of the total credits for a Programme with a Double Major) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline. Courses in the Minor Category are to be interdisciplinary in nature. A minimum credit of 12-24 is required to have a minor in a particular discipline and if the number of credits is less than 12 it will be called as Allied core.

Each undergraduate programme shall have the following course categories in line with the *University Grants Commission Curriculum and Credit Framework for Undergraduate Programmes* (UGC CCFUP)

- Disciplinary/Interdisciplinary Major Courses
- Disciplinary/Interdisciplinary Minor Courses
- Multidisciplinary Courses (MDC)
- Ability Enhancement Courses (AEC)
- Skill Enhancement Courses (SEC)
- Value Added Courses (VAC)
- Summer Internship
- Research Project/Dissertation

A. The credit requirements for 3-year undergraduate programmes of the university may be as follows:

Credits	Single Major	Double Major	Interdisciplinary	Multidisciplinary
Minimum	120	120	120	120
Maximum	132	136	136	136

Credit requirements for Four Year UG programme

Credits	Single Major	Double Major	Interdisciplinary	Multidisciplinary
Minimum	160	160	160	160
Maximum	176	180	180	180

Honours with Research: Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the discipline that they have taken as a major leading to award of undergraduate Honours with Research. The research project/dissertation will be in the major discipline. Students who meet the above criteria and who wish to take up research must apply for the same in the sixth semester of their study.

A student who enrolls in a double major programme and completes the requirements of UG Degree (Honours/Honours with Research) programme but wishes to also pursue honours in the second major, can complete the requirements of the second major after the completion of the requirements of the first major honours programmes.

Categories of Programmes offered

- Single major with Minor: Minimum Credits for Minor: 24 credits
- Double Major with Minor: Minimum Credits for Minor: 12 Credits
- Double Major with Allied Core: Minor courses of a minimum of 6 and less than 12 will qualify as allied core courses.
- Interdisciplinary Programmes
- Multidisciplinary Programmes

The award of degrees will be on fulfillment of the programme requirements and outcomes specified by each programme including the minimum credits specified. Degrees shall not be awarded merely for meeting the minimum credits but based on the successful completion of programme specifications. For example, if a programme requires 132 credits and students have earned only 120 credits, they will not be eligible for the award of their undergraduate degree.

Students have an option to exit the programme early upon completion of the following requirements:

Students can exit a programme after the first year with a UG Certificate, provided the programme requirements of the first year are completed along with four credits for a vocational course. The requirements of a four-credit vocational course may be fulfilled through an internship for two months.

Students can exit a programme after the second year with a UG Diploma, provided the programme requirements of the first two years are completed, along with four credits for a vocational course. The requirements of a four-credit vocational course may be fulfilled through an internship for two months.

The maximum duration to complete any of the UG Degree programmes would be seven years from the date of first enrolment to the programme.

- Guidelines for Entry and Exit into Bachelor and Master Level Programmes**

I. Policy

The Exit and Entry provisions are made in accordance with the National Education Policy 2020 to offer flexibility to students pursuing Bachelor and Master level programmes at CHRIST (Deemed to be University). These provisions allow students to enter and exit programmes based on their academic needs and personal circumstances. Students may enter programmes by meeting prescribed eligibility and admission requirements and may exit programmes by fulfilling the minimum requirements leading to an award of a Certificate, Diploma, Postgraduate Diploma, Degree or Degree with Honours/Honours with Research. Those who exit the programmes without fulfilling the requirements will be eligible to receive the marks card without an award. The Entry and Exit process will be under the general supervision of the Registrar (Academics).

II. Applicability

These guidelines apply from the academic year 2023-24 to all students enrolled in the various Bachelor and Master programmes of the University, except to the programmes governed by the Statutory Councils i.e., AICTE, NCTE, BCI, COA which will follow the requirements of the respective Statutory Councils.

III. Lateral Entry Admission

1. Lateral Entry admissions will be made only at the beginning of every academic year subject to fulfilling the minimum eligibility, credit and Grade Point Average (GPA) requirements of the programme applied for and the availability of seats in the programmes.
2. Applicants should have studied the same programme that aligns with the Programme Outcomes and Course Outcomes of the programme applied for. As the Programme and Course outcomes of the University are distinct, lateral entry within the University from one programme to another programme is not permitted.
3. Proficiency in both written and oral English communication is essential for entry into academic programmes. Applicants will be evaluated on their written and Spoken communication skills in English as part of the admission process.
4. Applications for lateral entry will be considered from institutions primarily based on their National Assessment and Accreditation Council (NAAC)/National Board of Accreditation (NBA) or equivalent accreditation and National Institutional Ranking Framework (NIRF) or other reputed Institutional/subject ranking status. The Institutional criteria will be published on the institution's website.
5. To apply for admission through lateral entry, the prospective applicant should submit an application in the prescribed format to the Office of Admissions.
6. The Office of Admissions forwards the application to the Registrar (Academics). The Registrar (Academics) will review and forward the application to the Head of the Department concerned, for curriculum mapping from the Department.
7. The **department-level committee** comprises the Head of the Department and two faculty members, nominated and holding a rank of Associate Professor or higher will evaluate the applicant's previous academic background and eligibility. The Department will map the Programme Outcomes, Course Outcomes and Credits earned by the applicant from the previous Institution with those of the programme applied for admission to determine eligibility for entry. The Committee should have a minimum of two members, one of whom should be a Professor or an Associate Professor. The Head of the Department forwards the report to the Registrar (Academics) for further process.

8. Based on the recommendations of the Committee, the candidate applying for lateral entry may be asked to take additional courses as prerequisite course/s to fulfil the gap in learning outcomes and/or credits.
9. If the Registrar (Academics) confirms the eligibility based on the report of the Department level Committee, the Office of Admissions will schedule the admission process that is prescribed for fresh admission to the programme concerned, which may include a written test, micro-presentation, skill assessment and an interview or only an interview.
10. After admission, the credits and courses of previous years of study can be transferred and recorded in the student academic record of CHRIST (Deemed to be University).
11. The consolidated marks card issued by the University will mention the transferred credits and courses indicating that the courses and the credits were acquired from another institution. The credits and marks will be considered for CGPA, and awarding class but not for ranking.
12. To earn any academic award from CHRIST (Deemed to be University), a student must complete at least 50% of the required credits at the institution.

IV. Exit Provision

1. Exit from a Bachelor or Master level programme with a Certificate, Diploma, Postgraduate Diploma, Degree or Degree with Honours/Honours with Research can be availed only after the end of an academic year.
2. To exit from a Bachelor programme with a Certificate or a Diploma award, students are required to complete four (4) additional credits through an industry internship of eight (8) weeks duration, beyond the minimum credit requirements of the completed semester, as prescribed in the programme structure of the respective programmes.
3. The department must evaluate the additional four (4) credits earned through an industry internship by aligning the assessment with the learning outcomes of the programme.
4. To avail of the Exit provision, the students who fulfil the requirements should submit an application to the Office of Examinations in the prescribed format.
5. Students who do not fulfil the requirements will not be eligible for a Certificate, Diploma, Postgraduate Diploma, Degree or Degree with Honours/Honours with Research awards and will be eligible to receive a Marks Card and a Transfer Certificate.
6. Students seeking a Transfer Certificate as part of the exit option may apply for lateral entry admission into the programme later, following the lateral entry provisions of these Guidelines.
7. Students must clear all outstanding dues to the Institution and fulfil all the requirements of the programme concerned and the Institution before availing of the programme exit option.

8. Students who wish to exit a programme at the end of an academic year should apply to the Office of Admissions by January of that academic year and get approval for exemption from the Office of Admissions from paying the fees of the subsequent academic year.
9. With regard to International Credit Transfer programmes i.e., Two years in CHRIST + 1 or 1.5 or 2 years in a Partner University, where the Degree is awarded by the Partner University, then such students will be provided a Diploma while they exit CHRIST (Deemed to be University) and join the partner University.

CIA 2 - Mid-Semester Examination (MSE)

From the academic year 2023-24, a minimum of 75% attendance in each course is an eligibility requirement to write the Mid Semester Examinations of that course. This requirement is applicable for all the courses taught across all the years, including the final year courses of the academic year 2023-24. In

case a student fails to meet the minimum attendance requirement in a course/s, he/she can apply for a repeat Mid Semester Examination in that course/s with the prescribed fee.

Candidates who do not appear for the MSE due to valid reasons or detention are given a chance to repeat MSE. Such students can apply online, and the permission is granted by the Controller of Examination (COE) in consultation with the HOD/Dean concerned based on the attendance and valid supporting documents for the absence.

- There will be a reduction of 15% in the weightage of marks for each repeat course MSE.
- If the student does not take the MSE, then an entry denoted by an asterisk (*) is made in the marks card stating that the candidate did not appear for the MSE.
- During the course of study, students from programmes of four or five-year duration can repeat MSE three times, for programmes with three-year duration, the number of repeat chances is two and for programmes with two years duration the number of repeat chances is only one.
